# Why, What and How

## Why SpringRock ?

01

To impact the status quo in such a measurable way that would result in a **change** of the status quo

*Improve existing solutions or methods to eliminate gaps and raise efficiency*

**Most comprehensive QA-QC process and procedure in one document for entire chain of Well Construction**

*Innovate new solution where there are no robust solutions yet*

**Provide new innovations and solutions to the global Oil and Gas Industry through Research and Development**
